Dear Participant:

I would like to take this opportunity to welcome you and thank you for participating in *"The Advanced Laparoscopic Gynecologic Surgery Conference"* course in Tampa, Florida. Drs. Glazerman and Hart have designed an outstanding program and your comments regarding the course format would be greatly appreciated.

To comply with continuing education credit guidelines, please be sure to sign the program roster each day. This is necessary in order to obtain category 1 credit. I would also suggest that you take a few moments to complete the evaluation form at the end of each session. This evaluation provides valuable information for use in planning future courses. Your CME certificate will be distributed at the end of the symposium if you have attended all sessions.

Please let us know if you have any questions or comments. A staff member will be present at the registration desk throughout the conference.

Thank you again for joining us. Here's to an enjoyable and educational program.

Sincerely,
