### PRE-CONFERENCE SYMPOSIUM

**WEDNESDAY, MAY 29, 2013**

**Cosmetic Dermatology** *(Optional)* Registration Required
- *Putting your toe in the water – what’s it all about?*
- *Is this something I want to introduce into my practice? – Understanding the Basics*

We will be giving an introduction to cosmetics including basics on why and how the skin changes as we age, how to care for the skin and then we will delve into lasers, light-based technologies, botulinum toxins and fillers. We will have time in the afternoons to observe a demonstration on fillers and injecting botulinum toxin.
